

Summary of proposals evaluated or endorsed by Infrastructure Australia

1 July 2024

In accordance with Section 5B(9) of the *Infrastructure Australia Act 2008*, this document provides a summary of each proposal evaluated or endorsed by Infrastructure Australia in the prior quarter.

Table 1: Proposals evaluated or endorsed by Infrastructure Australia during Q2 (April-June) 2024

| Proposal name | Date finalised | Proponent | Proposal description | Evaluation or endorsement outcome |
|---|-----------------------|-----------------------|--|--|
| Direct Sunshine Coast Rail Line (Stage 1 – Beerwah to Caloundra) | 17 May 2024 | Queensland Government | The Direct Sunshine Coast Rail Line project is a proposed 37.8 km rail line between Beerwah and Maroochydore. The first stage is for the 19 km section between Beerwah and Caloundra. | Not recommended for the Infrastructure Priority List at this time. |
